

# Trending Now: Fashionable Functional Frames

Constructed of authentic, rustic barn wood this versatile, country-chic basic frame is available in portrait and landscape format. The charming basic frame is available with a myriad of options — sleek, sturdy black metal hooks, Adapta-Strip™ for use with a variety of Adapta-Strip™ accessories; easy-slide modular base for use with our modular sign system, and a heavy metal base ideal for countertops — available for separate purchase. Both portrait and landscape frames are top-loading for ease of use with product inserts, our popular Marketplace Chalk™ merchandise line, or your paper signage program. Now your business can be the trendsetter or fashion icon of your peers with Blanc Display Group's Barn Wood Frame Collection.
