

Danglers!

Create a dynamic personalized brand-building campaign with bold, vibrant, cost-efficient and moisture-resistant danglers. Flexible, functional and fun, danglers direct customers to merchandise with movement. Danglers dance just enough to catch the eye—and a customer's attention. At The Blanc Signage & Display Group we like to call them our powerful, yet subtle signage.

We customize danglers to your unique specifications. You choose the color, shape (or select one of our stock shapes) and message. Our design team is at the ready to ensure your tailor-made danglers complement the department's décor. Call to speak to one of our sales representatives for more information and start building your brand—and increase your bottom line today!
